

# Quality

Is determined by Design, Material & Craftsmanship

## High-Carbon, Stainless Steel

- High carbon for sharpness
- Stain resistant for beauty
- Superior edge retention
- Polished mirror finish for easy care
- Resists rust and corrosion

## "Hand Perfect" Ergonomically Designed Handle

- Universal fit for large or small, left or right hands
- Thumb and forefinger lock into place for safety and control, and help resist fatigue
- Highly engineered thermo-resin will not crack, chip or absorb moisture
- Dishwasher safe

## Exclusive Double-D® Edge

- Unique recessed cutting edges
- Points protect blade sharpness
- Provides smooth, clean cuts

## Full Tang, Triple Rivet Construction

- Tang extends full length of the handle for extra strength and balance
- Triple rivets are ground flush with the handle for durability, strength and comfort
